PURPOSE

This Agreement is entered into by and between the Pelican Rapids Education Association, hereinafter called the association, as the exclusive representative of all teachers in the Pelican Rapids School District and Independent School District #548, Pelican Rapids, Minnesota, acting by and through its duly elected Board of Education, hereinafter called the "School District" and its successor boards pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended, hereinafter referred to as the PELRA, to provide the terms and conditions of employment for teachers during the duration of this Agreement.

ARTICLE I.

RECOGNITION OF EXCLUSIVE REPRESENTATIVE

Section 1. Recognition: In accordance with the PELRA the School District hereby recognizes the Pelican Rapids Education Association as the exclusive bargaining representative for all certificated teachers under contract by the School Board of Independent School District No. 548 with rights and duties as prescribed by the PELRA and as described in this Agreement.

Section 2. Appropriate Unit: The exclusive representative shall represent all the teachers of the School District as defined in this Agreement and in said Act.

ARTICLE II.

DEFINITION

Section 1. Teacher: The term, "teacher," shall mean all persons in the appropriate unit employed by the School District in a position for which the person must be licensed by the State of Minnesota; but shall not include superintendent, assistant superintendent, principals and assistant principals who devote more than 50% of their time to administrative or supervisory duties, confidential employees, supervisory employees, essential employees, and such other employees excluded by law.

Section 2. Terms and Conditions of Employment: The term "terms and conditions of employment" shall be defined in accordance with the PELRA which states as follows: Terms and conditions of employment mean the hours of employment, the compensation therefore including fringe benefits except retirement contributions or benefits, and the employer's personal policies effecting the working conditions of the employees. In the case of professional employees the term does not mean educational policies of a school district. The terms in both cases are subject to the provisions of the PELRA regarding the rights of public employers and the scope of negotiations.

Section 3. Other Terms: Terms not defined in this agreement shall have those meanings as defined by the PELRA, as amended.

Section 4. School District: For the purposed of the Agreement, the term, "School District," shall mean the School Board or its designated representative.

ARTICLE III.

RIGHTS AND OBLIGATIONS OF EMPLOYEES

Section 1. Views: Nothing contained in this agreement shall be construed to limit, impair or affect the right of any public employee or his representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative if there be one; nor shall it be construed to require any public employee to perform labor or services against his will.

Section 2. Organizational Affiliation: Pursuant to PELRA, teachers shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations. Public employees in an appropriate unit shall have the right by secret ballot to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment for such teachers.

Section 3. Meet and Confer: Public employees who are professional employees as defined by the PELRA have the right to meet and confer with public employers regarding policies and matters not included under the PELRA, as amended.

Section 4. Meet and Negotiate: Public employees through their certified exclusive representative have the right and obligation to meet and negotiate in good faith with their employer regarding grievance procedures and the terms and conditions of employment, but such obligation does not compel the exclusive representative to agree to a proposal or require the making of a concession.

Section 5. Dues Check Off: The exclusive representative shall be allowed dues check off for its members. Upon receipt of a properly executed authorization card of the teacher involved, the School District will deduct from the teacher's paycheck the dues that the teacher has agreed to pay to the teacher organization in two equal installments on the first payroll period in September and the last payroll period in September or twenty equal installments, beginning with the first pay period in September.

Section 6. Fair Share Fee:

Subd. A. Any teacher included in the appropriate unit who is not a member of the exclusive representative may be required by the exclusive representative to contribute a fair share fee for services rendered as exclusive representative. The fair share fee for any teacher shall be in an amount equal to the regular membership dues of the exclusive representative, less the cost of benefits financed through the dues and available only to members of the exclusive representative, but in no event shall the fee exceed 85% of the regular membership dues.

Subd. B. The exclusive representative shall provide written notice of the amount of the fair share fee assessment to the School District and to each teacher to be assessed the fair share fee.

Subd. C. A challenge by a teacher or by a person aggrieved by the assessment shall be filed in writing with the Commissioner, the School District, and the exclusive representative within thirty (30) days after receipt of the written notice. All challenges shall specify those portions of the assessment challenged and the reasons therefore, but the burden of proof relating to the amount of the fair share fee shall be on the

exclusive representative. The School District shall deduct the fee from the earnings of the employee and transmit the fee to the exclusive representative within thirty (30) days after the written notice was provided, or, in the event a challenge is filed, the deductions for a fair share fee shall be held in escrow by the School District pending a decision by the Commissioner or Court. Any fair share challenge shall not be subject to the grievance procedure.

Subd. D. The exclusive representative hereby warrants and covenants that it will defend, indemnify and save the School District harmless from any and all actions, suits, claims, damages, judgments and executions or other forms of liability, liquidated or unliquidated, which any person may have or claim to have, now or in the future, arising out of or by reason of the deduction of the fair share fee specified by the exclusive representative as provided herein.

Section 7. Mailboxes: The exclusive representative may use District mailboxes or bulletin boards in teachers' lounges and mail rooms to communicate with faculty provided; that such communication is from elected representatives of the exclusive representative and provided that such communication relates to Pelican Rapids Education Association regular meetings, notices, evaluations and pertinent educational procedures within the school district.

Section 8. Union Leave: Each year the exclusive representative shall be credited with 4½ days of non-cumulative leave, to be used by teachers who are officers or agents of the exclusive representative. Requests for such leave days shall be made through the president of the exclusive representative and directed to the superintendent where leave totals are kept. The exclusive representative agrees to notify the superintendent no less than 48 hours prior to the date of intended use of such days. Time taker or requested shall be in amounts not less than one-half day per time per person. The administration may, upon request, afford reasonable time off for leave of absence to elected or appointed officials of the exclusive representative.

Section 9. Personal File: Each teacher shall have the right to review the contents of his/her own personal file during regular school business hours upon request. No material may be removed from the file. A representative of the association may, at the teacher's request, accompany the teacher in this review. No material may be placed therein without allowing the teacher an opportunity to file his/her response thereto, and said response shall become a part of said file. The teacher may have the right to reproduce any of the contents of the files at the teacher's expense.

Section 10. Severance Pay

Subd. A. The purpose of this section is to implement a severance plan for those teachers hired prior to January 30, 1987. In order to be qualified for this severance pay an individual teacher must retire under a qualified state of Minnesota Teachers Retirement Plan.

Subd. B. Teachers meeting the above qualification shall, upon retiring, receive an amount equal to 70% of the base salary the individual received in the last year of teaching. Base salary is defined as the salary received from the salary schedule only and excludes any extra-curricular pay, incentives and/or extended time assignments.

Subd. C. It is understood that the amount determined in Subd. B, above, shall be minus any contributions the District made to the 403(b) match described in Section 11 of this Article. One half of the total shall be paid on January 15th of the next calendar year following the last day of employment and the

remainder shall be paid on January 15th of the calendar year succeeding the first payment.

Subd. D. The deadline for applying for this early retirement pay is May 30th of the school year at the end of which the teacher wishes to retire.

Subd. E. If a teacher hired prior to January 30, 1987, dies before his/her severance pay has been disbursed, the severance pay shall be paid to a named beneficiary or, in the event there is no designated beneficiary, to the estate of the deceased. The requirement of needing to retire under a qualified State of Minnesota Teachers Retirement Plan and the deadline for applying for this early retirement by May 30, will not be applicable to this section.

Section 11. Post Retirement Health Care Savings Plan: Employees, as designated below, are eligible to participate in the Minnesota Post Retirement Health Care Savings Plan (PRHCSP) established under Minnesota Statutes, Section 352.98 (Minn. Supp. 2001) and as outlined in the Minnesota State Retirement System's Trust and Plan Documents. All funds collected by the employer on the behalf of the employee will be deposited into the employee's post retirement health care savings plan account.

All employees who are eligible for the severance payment outlined in Article III, Section 10 of the 2017-2019 Collective Bargaining Agreement will contribute 100% of that payment to the Post Retirement Health Care Savings Plan administered by the Minnesota State Retirement System. In the event a teacher is eligible for a waiver from Minnesota State Retirement System (MSRS) his/her severance payment will be paid into his/her 403(b) account in the same manner as Section 10 Subd. C above.

Section 12. 403(b) Match:

Subd. A. Pursuant to M.S. 356.24 and starting September 1, 1998 the School District shall match each full-time teacher's yearly contribution to a qualified 403(b) Tax Deferred Annuity contract/s up to the amounts listed in Subd. E. The School District shall reduce the severance plan amount the teacher may qualify to claim in Section 11 of this article by the amount it has contributed to the 403(b) Tax Deferred Annuity contract/s used by the teacher for the match program. If the School District's contribution is less than the severance plan amount for which the teacher qualifies at retirement, the difference will be paid by the School District as severance.

Subd. B. No teacher hired after January 30, 1987 will qualify for the early retirement incentive as provided in Section 11 of this article.

Subd. C. Only full-time teachers shall qualify for the 403(b) match plan and only years of service as a full-time teacher in the Pelican Rapids School District shall be used in determining eligibility for the 403(b) match plan.

Subd. D. The annual amount of the School District's contribution will be based on the following schedule and the teacher's years of experience in the district.

1st-5th Year	\$0.00
6th-10th Year	\$1,500.00
11th Year and above	\$2,000.00

Subd. E. The maximum amount of the School District's total matching contribution towards

the 403(b) Tax Deferred Annuity contract/s used by each teacher shall be \$45,000.

Subd. F. Teachers on unpaid leave may not participate in the matching plan while on leave.

Section 13. Teacher Review: Parties agree to mutually develop a process for teacher review in accordance with any Minnesota State Statute provisions.

ARTICLE IV.

SCHOOL DISTRICT RIGHTS

RIGHTS AND OBLIGATIONS OF EMPLOYERS

Section 1. Inherent Managerial Rights: A public employer is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, their organizational structure and selection and direction and number of personnel.

Section 2. Grievance: A public employer has an obligation to meet and negotiate in good faith with the exclusive representative of the public employees in an appropriate unit regarding grievance procedures and the terms and conditions of employment, but such obligation does not compel the public employer or its representative to agree to a proposal or require the making of a concession.

Section 3. Meet and Confer: A public employer has the obligation to meet and confer with professional employees to discuss policies and those matters relating to their employment not included under the PELRA, as amended.

Section 4. Conflict of Law: Any provision of this agreement which of itself or in its implementation would be in violation of or in conflict with any statute of the State of Minnesota or the United States of America or rule or regulation promulgated there under or provision of a municipal home rule charter or ordinance or resolution adopted pursuant thereto, or rule of any state board or agency governing licensure or registration of an employee, shall be void and of no effect.

Section 5. Exclusive Representative: The employer shall not meet and negotiate or meet and confer with any employee or group of employees who are at the time designated as a member or part of an appropriate employee unit except through the exclusive representative if one is certified for the unit or as provided for in the PELRA, as amended.

Section 6. Arbitration: An employer shall have the right to petition the director for arbitration under the PELRA, as amended; provided the exclusive representative or the employer has first petitioned the director for mediation services as are available under the PELRA, as amended.

Section 7. Negotiators: An employer may hire and pay for negotiators desired or required by the provisions of the PELRA, as amended.

Section 8. State Law: Nothing in this agreement shall be construed to impair, modify or otherwise alter, or indicate a policy contrary to the authority of the legislature of the State of Minnesota to establish by law schedules of rates of pay for its employees or the retirement or other fringe benefits related to the

compensation of such employees.

ARTICLE V

UNREQUESTED LEAVE OF ABSENCE

Section 1. Unrequested Leave of Absence:

Subd. A. The purpose of this policy is to implement to provisions of M.S. 122A.40, Subd. 10, whereby the School District may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of positions, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts.

Subd. B. Teachers to be terminated shall be selected from all the teachers in the unit in the District who are qualified for the position to be eliminated in accordance with applicable provisions of M.S. 122A.40, Subd. 7, with the exception of provisions for substitute and part-time teachers listed in the Section 4 and 5 of Article VII.

Subd. C. Prior to the time the District initiates proceedings under these provisions, it shall first advise the exclusive representative of the need for such termination.

Subd. D. If tenured teachers have equal seniority, the one with lesser professional preparation shall be terminated first. Hiring will be done in the inverse order. If a tie still exists, the tie shall be broken by the School District who, at their discretion, will make the final decision on the candidate to be placed on ULA.

ARTICLE VI.

GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A "grievance" shall mean an allegation by a teacher resulting in a dispute or disagreement between the teacher employee and the School District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

Section 2. Representative: The teacher, administrator, or school district may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

Section 3. Definitions and Interpretations:

Subd. A. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. B. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. C. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a

Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. D. Filings and Postmarks: The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school board's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within seven days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the teacher and the School District's designee.

Section 5. Adjustment of Grievance: The School District and the teacher shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the school district in the following manner:

Subd. A. Level I: If the grievance is not resolved through informal discussions, the School District designee shall give a written decision on the grievance to the parties involved within seven days after receipt of the written grievance.

Subd. B. Level II: In the event the grievance is not resolved in Level I the decision rendered may be appealed to the superintendent of schools, provided such appeal is made in writing within five days after receipt of the decision in Level I. If a grievance is properly appealed to the superintendent, the superintendent or his designee shall set a time to meet regarding the grievance within ten days after receipt of the appeal. Within seven days after the meeting, the superintendent or his designee shall issue a decision in writing to the parties involved.

Subd. C. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School District provided such appeal is made in writing within five days after receipt of the decision in Level II. If a grievance is properly appealed to the School District, the School District shall set a time to hear the grievance within fifteen days after receipt of the appeal. Within fifteen days after the meeting, the School District shall issue its decision in writing to the parties involved. At the option of the School District, a committee or representative(s) of the District may be designated by the District to hear the appeal at this level, and report its findings and recommendations to the School District. The School Board shall then render its decision.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of its procedure provided the School Board or its representative notify the parties of this intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of Grievance: Failure by the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the teacher may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the teacher and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. A. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the superintendent within seven days following the decision in Level III of the grievance procedure.

Subd. B. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. C. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall within seven days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the BMS to appoint an arbitrator, pursuant to the PELRA, providing such request is made within fifteen days after request for arbitration. The request shall ask that the appointment be made within thirty days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the PERB within the time periods provided herein shall constitute a waiver of the grievance.

Subd. D. Submission of Grievance Information:

(a) Upon appointment of the arbitrator, the appealing party shall within five days after notice of appointment forward to the arbitrator with a copy to the School District to submission of the grievance which shall include the following:

- (1) The issues involved.
- (2) Statement of the facts.
- (3) Position of the grievant.
- (4) The written documents relating to Section 5, Article VI of the grievance procedure.

(b) The School District may make a similar submission of information relating to the grievance either before or at the time of the hearing.

Subd. E. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose to designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing.

Subd. F. Decision: The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided for in the PELRA. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. G. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recordings if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. H. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion of policy as the functions and programs of the employer, its overall budget, utilization of technology, and organizational structure, and selection and direction and number of personnel. In considering any issue in dispute in its order, the arbitrator shall give due consideration to the statutory rights and obligations of the public school district to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

ARTICLE VII.

BASIC SCHEDULES AND RATES OF PAY

Section 1. Basic Compensation:

Subd. A. 2017-18 Rates of Pay: The wages and salaries reflected in Schedule A, attached hereto, shall be effective only for the 2017-18 school year and teachers shall advance one increment on the schedule.

Subd. B. 2018-19 Rates of Pay: The wages and salaries reflected in Schedule B, attached hereto, shall be effective only for the 2018-19 school year and teachers shall advance one increment on the salary schedule.

Subd. C. Increments: Any increase on any contract may be granted by the Board of Education as provided by State Statute, therefore the District may exercise its judgment in withholding increases on contracts not meriting such increase and the salary schedule shall not be construed as a part of the teacher continuing contract.

Section 2. Placement on Salary Schedule: The following rules shall be applicable in determining placement of a teacher on the appropriate salary schedule:

Subd. A. Basis for Lane Change: Any lane changes on the salary schedule must be based on course work in which the teacher is currently teaching and certificated. Credits must be germane to the teacher's subject area and must be approved by the superintendent in writing prior to the taking of the course.

Subd. B. Notification of Credits Earned: If a teacher completes requirements for a degree or earns

sufficient quarter hours to move from one salary category to another, adjustments on the salary schedule will take place as soon as official notification from the granting institution has been received by the superintendent and approved by the Board of Education. In the case of a degree earned, a transcript from the college registrar stating all requirements for the degree have been met and that the degree will be granted is required. In the case of credits earned or the acquisition of a permanent certificate or its equivalent, either a transcript from the registrar or the college grade card issued by the college will be acceptable.

Subd. C. Limitation of Lane Changes: In the event of a change in salary category due to completion of requirements for a degree or intermediate salary lanes, a teacher in no instance will be permitted more than two lane changes during a school year. An exception for those moving from BA+15 to MA will be made upon receipt of the appropriate official credentials.

Subd. D. Effective Date: Individual contracts will be modified to reflect qualified lane changes twice each year. Qualified credits submitted by October 1st shall be retroactive to the beginning of the school year and those submitted by March 1st shall be retroactive to the beginning of the second semester. Credits submitted after these dates shall not be considered until the following lane change period.

Subd. E. Germane to Assignment: A teacher shall be paid on the Master's Degree lane only if the degree program is germane to the teaching assignment as approved by the School District and the degree program is approved in writing by the superintendent in advance. Any teacher employed by the School District as of the end of the 1974-75 school year who is being paid at an MA degree level and who is not teaching in an area germane to his or her degree shall be an exception to the terms of this particular subdivision and shall continue to be paid at that lane level.

Subd. F. Time of Earning Credits: Credits to apply on the BA+15, BA+30, BA+45, or BA+60 lanes of Schedules A and B, must be earned subsequent to the earning of the BA Degree. Credits to apply to MA+15 and MA+30 must be earned subsequent to the earning of the MA degree, must be earned from an accredited college or university, must be graduate level courses, and must be subject to Subdivision A, Section 2, Article VII. In the event that graduate level courses are unavailable in subject area, the superintendent may approve undergraduate courses toward MA+15 and MA+30.

Section 3. Salary Schedule:

Subd. A. Experience: Credit for past teaching experience shall be given as agreed between the teacher and the School District but shall not exceed actual teaching experience.

Subd. B. Limitation of Vertical Steps: Teachers moving vertically on the salary schedule shall be limited to one vertical step per year. One additional total year of teaching experience results in one vertical step. All adjustments in vertical steps shall be made at the beginning of the school year and only once a year. A full time teacher who has taught any part of a school year shall be given one-half years credit for such teaching.

Subd. C. Pay Periods: Teachers shall be paid twenty-four (24) equal payments for the months of September through August. No pay advances will be granted.

Subd. D. Date of Payment: The fifteenth day and last day of each month shall be payday. In the event that the fifteenth day or the last day of the month falls on a weekend, the payroll date for that pay

period shall be the last day preceding the weekend, subject to conditions beyond local control.

Subd. E. FICA: In the event the mandated contribution to FICA is reduced by the Federal Government, the percent reduction will be immediately added into the salary schedule. The percent increase to the salary schedule will be distributed evenly to each step and lane. This will take effect in the new pay period in which the mandates are implemented.

Subd. F. TRA: In the event the state mandated contribution to TRA is reduced, the percent reduction will be immediately added into the salary schedule. The percent increase to the salary schedule will be distributed evenly to each step and lane. This will take effect in the new pay period in which the mandates are implemented.

Section 4. Substitute Teachers: The following rules shall apply to substitute teachers who replace the same teacher for more than 10 consecutive working days in one school year, but less than a full year.

Subd. A. Rates of Pay: Substitute teachers will be placed at the BA lane and Step 1 of the salary schedule after ten (10) consecutive days of substitute teaching for the same teacher. The first ten (10) days will be paid at the substitute rate set by the school board.
