To: Randi Anderson, Superintendent
Pelican Rapid Public Schools ISD #548

Randi,

Please accept my notice that I will be leaving the Pelican Rapids school district. My last day will be Thursday, April 26th.

I have appreciated my experience at the district – it is filled with amazing staff and students. I am better for having been part of the district. I know to an even deeper level the dedication and effort it takes to make schools work. As an employee, parent and spouse of a staff member, I have been proud to call the district my home.

Thank you for everything –
