Subject: Asst Baseball Coach Resignation

Derrick,

Please consider this my letter of resignation as Assistant Baseball Coach. Due to growing demands as elementary principal, and recent family events, I am unable to continue the time commitments of coaching baseball this spring.

I would like to thank you and Coach Johnson for the opportunity to coach these young men the last 3 years. Coaching fed my hunger for teaching, and the opportunity to work with a coach of Adam Johnson's caliber taught me a great deal. Coach Johnson's commitment to Pelican Rapids baseball is admirable and should be valued by our community.

Good Luck to Coach Johnson and the baseball team!

Respectfully,

Edwin R. Richardson, Ed.D.
