Attendance

- Parents should call the school when students will be absent.
- **Students are required to bring a confirmation note to school from all appointments.**
- **Students who are absent from school for 3 or more consecutive school days are required to bring a doctor's note to excuse their absence.**
- Students who are not in school and do not have the permission of their parent or the Pelican Rapids School District are considered unexcused absent and truant.
- Attendance will be taken every period.
- Absences are cumulative throughout the school year and records will transfer with students who transfer to other schools.
- When a student is absent, parents will be notified of the unexcused absence/truancy. Parents may check their student's attendance via internet access to the SKYWARD student information system (SIS).
- After 3 days with 1 or more periods of unexcused absence, parents will be notified.
- After 7 days with 1 or more periods of unexcused absence, a meeting with the student and parent will be scheduled.
- If the student and parent do not change the amount of student's unexcused absence, a Truancy Plan of Correction will be developed.
- If the Truancy Plan of Correction is not followed by the student and parent and the student continues to be unexcused absent, OTC Human Services and the OTC Attorney's Office will be notified.
- Any student who is absent from class more than 8 days of the scheduled days may be denied credit for that course. **All absences in excess of 8 days of total days scheduled** for a semester are considered unexcused. Absences due to participation in school-sponsored activities do not count against student credits or grades. The Building Management Team (BMT) (principal, administrative assistant, counselor, department spokespersons, and selected parents) will serve as a review board for those students with unusual circumstances who wish to file an appeal concerning loss of credit(s). Appeals will be based on attendance files, documents and written materials submitted by the administration, parents and student. Parents and student will have seven calendar days after being notified to submit any written material they wish to include in the appeal. The review board will issue a written decision within ten (10) calendar days after the appeal.
- **Tardiness:** Upon arrival at school, a tardy student must report to the main office to pick up a tardy pass for admittance to classes. If a student is late for school (1st period) for less than 10 minutes, the absence will be counted as a tardy.
- **Enforcement: A student will be assigned one hour of detention for every third tardy in a semester. The principal will keep track of all tardies for period 1 and teachers will keep track of tardies for periods 2-7.**
- In emergency situations such as serious prolonged illness or hospitalization, a hospital or homebound tutor may be arranged. Doctor verification of the need for the absence and tutor will be required.
- Every absence will be evaluated. If the principal determines that any absence(s) is unexcused, the student will receive appropriate disciplinary action.
- For unexcused absences, students will need to make up the time missed and the parent will be notified.

- Parents will be notified when a student becomes ill during the day. Students will be kept in school if the parent(s)/guardian(s) cannot be reached.
- All seniors (18 or more credits) may schedule one day of post-secondary visitation through the counselor, which will be counted as an acceptable day of absence from school. All visits must be made prior to April 15. Visits not coordinated in advance with the counselor's office will be unexcused.
- School sponsored trips and activities will be denied if the student has exceeded attendance guidelines. The trips and activities denied include college visitation for seniors and activities sponsored by the school.
- **Excused Absences:** These absences **do not count** toward loss of credit: illness (accompanied by a Doctor's note stating student should not be in school), conditions beyond control of the student (court appearances, religious holidays or religious release time) or urgent family activities or emergencies. The parent/guardian needs to contact the school in advance.
- **Acceptable Absences:** These absences **do count** toward loss of credit: illness, doctor appointments, work at home, senior college visitation days, family/student vacations. A preapproved form is required for family vacations. Vacations will only be excused if taken with parents/family.
- **Unexcused Absences:** These absences **do count** toward loss of credit. For unexcused absences, students will not receive credit for work missed. Examples of unexcused absences: Student misses the bus, oversleeps, shopping, trips not approved in advance, work for hire, haircuts/beauty appointments/ tanning appointments, hunting, fishing, snowmobiling, car trouble, absence from discipline without permission; failure to obtain permission to check out of school; absence without permission of parents and Principal's office.
- **Contact the School:** When students are absent, their parents **must call the school** before they return. The principal's office will issue an admit slip back to class. Teachers will issue makeup work. **If a student has been absent, he/she may NOT participate in any school activity that day.**

Behavior & Discipline

Students are required to abide by all student behavior rules outlined in board policy and reviewed in this handbook. Consequences for misbehavior, whether it takes place in/around a school vehicle, in school, elsewhere on school property at a school event, via the internet or electronically will be applied to any student who violates the rules. Disciplinary action may include but is not limited to: meeting with the teacher, counselor, or principal; detention; loss of school privileges; parental conference with school staff; modified school programs; suspension from activities; removal from class; suspension (in-school or out-of-school); exclusion; expulsion.

Student Behavior Expectations:

- Students **should:** be involved, be productive, attend school regularly, immediately follow the directions of the teacher, sit in their assigned seat facing forward, talk respectfully and use appropriate language, keep their arms, legs and belongings to themselves, be at classes on time, complete all assignments, be courteous to all students, staff members and visitors, respect yours and others property, help keep the building clean, eat & drink in designated areas only (commons, gym foyer when and where permitted by supervisor), be physically and mentally prepared to participate in classes and activities, value the ethnic, religious, and economic diversity of the Pelican Rapids community.

- Students **should not** participate in: fighting, harassment, intimidation, horseplay, throwing of any object, use or possession of alcohol, tobacco, illegal drugs or look alike drugs, bring any weapon or dangerous objects to school, damage school or individual property.

Unacceptable Behavior:

- Any willful conduct which materially and substantially disrupts the right of others to an education, endangers school district employees, the pupil or other pupils, or the property of the school or violates any rule of conduct specified in this discipline policy.

Discipline Rules:

- The teacher has authority over students and is in charge/responsible for their classrooms.
- Disciplinary action will be taken with students for any behavior which disrupts order or violates the rights of others, especially the right of students to receive instruction.
- Discipline at Pelican Rapids High School is cumulative.
- Jr. High Check System: In an effort to aid teachers in maintaining a sound educational program in their classroom, Pelican Rapids Jr. High School has adopted a "check system" for students. This check system addresses two areas, behavior and incomplete assignments or work not turned in. The time period covered is for one week, at which time the check list will be reviewed by a committee and infractions calculated. Each Jr. High School teacher will have a daily opportunity to evaluate the behavior and assignment requirements for their class.

Types of Misbehavior:

- Theft is the act of intentionally and without right taking, using, transferring, concealing, or retaining possession of movable property of another without his/her consent and with intent to deprive the owner permanently of the property, or the finding of lost property and not making reasonable effort to find the owner.
- Physical Assault is an act which intentionally inflicts or attempts to inflict bodily harm upon another.
- Verbal Assault is threatening, profane, or obscene language either oral or written by a student toward a staff member or another student including conduct which degrades people because of their gender, race, religion, ethnic background, or physical or mental handicaps.
- Minnesota law called a felony. No one may possess a dangerous weapon at any time on school property. A dangerous weapon includes any device or instrument designed as a weapon or through its use is capable of producing great bodily harm or death. Firearms transported in accordance with Minnesota law are accepted.
- Possession on school property includes on a school bus, in a school vehicle, or any property leased by the school whether the school is public or private. Violation of the terms of Minnesota law will result in penalties that may include expulsion from school in addition to statutory penalties which include significant fines and prison.

Threats:

- Any student who threatens normal operations or school activities, including reporting of dangerous or hazardous situations that don't exist will be subject to disciplinary action.

School Disruptions:

- Any student who disturbs or interrupts the peace and good order of the school or school-sponsored activities will be subject to disciplinary action.

Nuisance Articles:

- The possession or use of articles that are nuisances, illegal or that may cause harm to persons or property is prohibited at school and school-sponsored activities.

School Trespass:

- **Trespass:** It is a misdemeanor for a person to enter or be found in a public or nonpublic elem., middle, or secondary school building unless the person: is an enrolled student, a parent or guardian of an enrolled student, an employee of the school or school district; has permission or an invitation from a school official to be in the building; is attending a school event, class, or mtg. to which the person, the public, or a student's family is invited; or has reported the person's presence in the school building in the manner required for visitors to the school.
- **Trespass After Warning:** It is a misdemeanor for a person to enter or be found on school property within six months after being told by the school principal or the principal's designee to leave the property and not to return, unless the principal or the principal's designee has given the person permission to return to the property.
- **Detaining Trespasser:** A school principal or a school employee designated by the school principal to maintain order on school property, who has reasonable cause to believe that a person is violating this subdivision may detain the person for a reasonable period of time pending the arrival of a peace officer. A school principal or a designated school employee is not civilly or criminally liable for any action authorized under this paragraph if the person's action is based on reasonable cause.
- **Arrest of Trespasser(s):** A peace officer may arrest a person without a warrant if the officer has probable cause to believe the person violated this subdivision within the preceding four hours. The arrest may be made even though the violation did not occur in the peace officer's presence.

Discipline Steps:

- Written/verbal warning to student from teacher
- Notification of parents by teacher
- Meeting with students, parents and teacher to include discipline plan
- Notification of principal/assistant principal and removal of student from class
- Detention, exclusion, expulsion

Removal from Class:

- A student will be removed from class immediately if the student engages in assault or violent behavior.
- Removal from class is the short-term exclusion of a student from school during which the school retains custody of the student. Students removed from class shall be the responsibility of the principal or lawful designee. The removal of a student from class shall not exceed three class periods. Students shall be removed from class only upon agreement of the appropriate teacher and principal after an informal admin conference with the pupil. The decision as to removal shall ultimately be up to the principal. The removal from class may be imposed without an informal administrative conference where it appears that the student will create an immediate and substantial danger to himself or to persons or property around him. The length of time of the removal from class shall be at the discretion of the principal after consultation with the teacher. Students shall be returned to class upon completion of the terms of the removal established at the informal administrative conference including but not limited to the completion of any make-up work.

Detention:

- Detention will be served outside the school day. Detention is a consequence for students who violate school rules on truancy, behavior, excessive tardies, or other behaviors. Students need to provide their own transportation. Students will be expected to bring home work or reading material. Failure to attend an assigned detention may result in: reassignment of detention, suspension and/or a parent conference.

In-School Suspension:

- Students who accumulate excessive detention hours will serve in-school suspension.

Suspension:

- Suspension is the short-term exclusion of the student from classes either in or outside the school building. Suspension, exclusion and expulsion shall be used in accord with The Pupil Fair Dismissal Act of 1974 as amended. Copies of this policy together with The Pupil Fair Dismissal Act of 1974 shall be published in the Student Handbook and distributed to all students during the first month of the school year. Nothing in this policy is intended to conflict with The Pupil Fair Dismissal Act of 1974. Suspension procedures shall afford the student the right to due process in accord with the following: The principal, or designee, shall notify the student of all charges. A conference shall be held prior to suspension. When, in the opinion of the principal or designee, the student's presence poses a continuing danger of persons or school property or is an ongoing threat of disruption of the educational process, the student may be immediately suspended from school. In such cases, the necessary notice and hearing shall follow as soon as practicable thereafter. The students shall be given an opportunity to give their version of the facts and their implications. The parent/legal guardian shall be informed of the suspension as soon as possible.

Parent Notification:

- Parents shall be notified by e-mail, student information system (SIS) telephone or first-class mail of violation of the rules of conduct and resulting disciplinary actions except as provided otherwise by The Pupil Fair Dismissal Act of 1974. Students shall be notified of violations of the Rules of Conduct and resulting disciplinary actions verbally except as provided otherwise by The Pupil Fair Dismissal Act of 1974. Early involvement of parents or guardians is essential to resolving pupil behavior problems. Teachers will make it a practice to inform parents or guardians of student behavioral problems as soon as possible.

Student Behavior Referral:

- A student in regular classes who has repeatedly been removed from class will receive a referral for possible special education services. If the student is already receiving special education services, then the Individual Education Plan (IEP) should be reviewed as to its adequacy.

A complete copy of all school policies is available in each building principals' office. Information concerning school policies will be disseminated to students.

Teachers will discuss these instructions with students and indicate the evacuation routes for their classrooms. During alarms, drills, or actual emergency procedures, students should treat the experience seriously, move quietly, maintain classroom conduct and listen/follow the instructions of their supervisors. Students should become informed of exit routes for each of their classrooms.

The school district's school nurse or school personnel trained and supervised in medication administration will administer prescribed medications in accordance with law and school district procedures.

Requirements

- The administration of prescription medication or drugs at school requires a completed signed request from the student's parent. This "Medication Authorization" form must also be signed by the physician prescribing the medication.

- A “Medication Authorization” form must be completed when the student begins medications in school and when a change in the prescription or requirements for administration occurs.

- Prescription medications are not to be carried by the student, but will be left with the appropriate school district personnel. Exceptions to this requirement are: prescription asthma medications self-administered with an inhaler (See Part H.5. below), and medications administered as noted in a written agreement between the school district and the parent or as specified in an IEP (individualized education program), Section 504 plan, or IHP (individual health plan).
- The school nurse, or other designated person, shall be responsible for the filing of the Medication Authorization form in the health records section of the student file.

- The parent must submit written authorization for the student to self-administer the medication each school year. The school nurse or other appropriate party must assess the student’s knowledge and skills to safely possess and use an asthma inhaler in a school setting and enter into the student’s school health record a plan to implement safe possession and use of asthma inhalers.

Graduation Requirements & Grading

Students need to complete Minnesota graduation requirements and successfully pass state required tests by the end of grade 12 or they will not receive a diploma. Students who have an individual education plan (IEP) can qualify for modifications in testing procedures or exemption from the requirements. This decision is made by the student's IEP team. To participate in the PRHS graduation ceremony and be awarded the PRHS diploma, students must attend school at PRHS their final semester. Students who choose to attend a different school elsewhere will receive their diploma from that school and participate in their graduation ceremony, and be counseled concerning these facts prior to leaving. Exceptions include students enrolled in the post-secondary options program and students with pre-approved alternative programs related to physical limitations for attendance, outside (ALC, etc.) credits must be pre-approved.

Credits for graduation: Each student shall complete at least 24 credits in grades 9 - 12 in required and elective courses. These include:

- **English:** 4 credits (1 credit each in English 9, English 10, English 11, and English 12).
- **Mathematics:** 3 credits.
- **Science:** 3 credits (1 credit in Science 9, 1 credit in Biology, 1 additional Science credit).
- **Social Studies:** 4 credits (1 credit in Social 9; 1 credit in U.S. History 10; 1 credit in World History 11; ½ credit Geography and ½ Economics).
- **Arts:** 1 credit (Art, Band, Choir, Digital Photography, or Web Design).
- **Physical Education 9:** 1/2 credit.
- **Health 10 courses:** 1 credit.
- The remaining **elective credits** will be chosen from the approved curriculum of Pelican Rapids High School. Students who successfully complete high school credits while in junior high (gr. 7-8) will have these credits credited toward graduation. Graduation requirements will be evaluated yearly. A student's graduation requirements will not be changed once they enter grade 9. All students must attempt 6 credits per year.

Incomplete Grades: Students must complete all course work as scheduled by the teacher or an incomplete will be given. All incompletes at the end of a quarter must be made up within the time set by the teacher.

Notification of Parents Concerning Graduation Requirements: Parents and students will be notified of graduation requirements using the student handbook and district website.

Pass-Fail Option: Any grade 12 student (18 credits minimum) may register for one elective class per semester on a pass-fail basis. Students must register by the 10th week of the semester. If a student is being considered for top 10%, salutatorian, or valedictorian graduation honors and has used the pass-fail option, all other students being considered for the same honors will have the same number of their lowest grades considered in the same manner.

Honor Roll Calculations - Letter Grade Values:

A=4.0, A-=3.66, B+=3.33, B=3.0, B-=2.66, C+=2.33, C=2.0, C-=1.66, D+=1.33, D=1.0, D-=0.66
F=0, I (Incomplete)=0 and P (Pass)=Cumulative grade point average (GPA)

An incomplete has no effect on grades, but the student will not be considered for the honor roll until the make-up work is completed and the grade is calculated and entered. A pass is calculated at the same value as the students overall grade point average. There will be two honor rolls. The A honor roll requires a minimum grade point average (GPA) of 3.66 and the B honor roll has a minimum GPA of 3.0. Students who have D's, F's, or I's will not be eligible for the honor roll. Student incompletes must be completed within 2 weeks of the end of each quarter.

Student Activities

The Student Council is the connection between the student body and the administration. This council gives the students a voice in building government. The Student Council is made up of one elected member from each class and each class president.

The Minnesota Honor Society

MHS (Minnesota Honor Society) is an invitation-only activity. Students with a grade point average of 3.5 or above are invited to join in June as they enter their junior and senior years. Applications are due in early September and members are selected by a faculty council. New members are inducted in a formal ceremony in mid-October. MHS members participate in a variety of activities throughout the year including the rent-a-buddy auction, road ditch clean up, and the Red Cross Blood Drive, among others.

Speech is a Minnesota State High School League (MSHSL) extracurricular activity. Students can compete in these categories: serious or humorous interpretation, original or non-original oratory, storytelling, discussion, extemporaneous reading or speaking. MSHSL rules are observed. Students may advance to subsection, section, and state contests.

The Shada is the school yearbook (annual). Members of the Shada staff are also members of a yearbook class. They begin working before school starts selling ads and continue through May to produce and distribute the yearbook. If you like teamwork, going to school events, photography, and fun - this just may be the class for you! Class members share the work - they are each assigned pages to work on including text and page design with photos. Every year the class is different! This is hands-on learning with computers and cameras. The finished product, our Shada yearbook, is a reflection of your work and will be a legacy for years to come.

National FFA Organization is an organization of students who have had or are enrolled in agriculture science classes. The purpose is to further the aims and understanding of agriculture, to

provide leadership training, and to provide group recreational activities. Judging contests, public speaking contests, and other activities of a competitive nature are available.

Knowledge Bowl is an activity where you can learn new information and facts as well as show what you know in competition. Each meet begins with a written exam that you and your team work together to complete. Four oral rounds follow and your team will either advance or drop based on your performance. Meets are held during the school day, so you can easily participate in Knowledge Bowl and other activities. The junior high season runs from mid-September until December. The senior high season competes from December until March.

Math Team gives students who are interested in math the opportunity to compete in various contests throughout the year. Senior high mathletes (grades 9-12) have the opportunity to compete in some or all of the following: Minnesota State High School Mathematics League, Bemidji Math Contest, AMC-10/AMC-12, and Tri-College contests. Students may advance to the state meet in Math League. Junior high mathletes may compete in Minnesota Junior High School Mathematics League, AMC-8, MathCounts, and Tri-College contests. Students may advance to the state meet in MathCounts.

The instrumental music (band) program consists of: Band 7, Band 8, Concert Band, and Wind Ensemble. Jazz Band and Pit Band are available as additional instrumental activities. Students play in these groups and many of the individuals play solos or in small ensembles for community activities as well as contests.

The vocal music program consists of grade 7 & 8, the Viking Choir and the Chamber Chorale, which is selected by the instructor. The choirs represent the school during the year at concerts, and other community affairs. Students sing in these groups and many of the individuals sing solos or in small ensembles for community activities as well as contests.

School Trips

Students who participate in school activities may have the opportunity to represent the school district and community on school district sponsored trips. Students will be under the supervision of staff or community coaches/advisors/chaperones and need to be on their best behavior. Students will also need to exhibit positive academic, behavior and chemical nonuse characteristics to qualify for the school trips. Students may become ineligible to participate on school trips if they violate legal, MSHSL and/or school district academic, behavior or chemical rules. **ALL detention needs to be completed BEFORE a student can participate in school trips.** The staff member directly in charge of the trip will determine eligibility in conjunction with the building principal or assistant principal/activity director. Activity advisors/coaches will inform students in advance of school trips concerning their eligibility. Extended school trips (ex. Band, Choir, or Spanish overnight trip) will be approved in advance by the school board.

Student Support Services

PRHS provides a number of support services, to help students academically, emotionally, socially and developmentally. Students may be self-referred or referred by parents, guardians or staff.

Mental Health services are provided by a district mental health practitioner and mental health professional. These services are provided by a collaborative of Lutheran Social Services of Fergus Falls, Otter Tail County and PR School District. These services are billable to the family's health service with their permission.

Hazing means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person or student, in order for the student to be initiated into or affiliated with a student organization, or for any other purpose. This policy applies to behavior that occurs on or off school property and during and after school hours. A person who engages in an act that violates school policy or law in order to be initiated into or affiliated with a student organization shall be subject to discipline for that act. Directory Information

- The School Board has designated the following as directory information relating to a student: the student's name; address; telephone number; electronic mail address; photograph; date and place of birth; major field of study; dates of attendance; grade level; enrollment status; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors and awards received; the most recent educational agency or institution attended by the student; and other similar information. Directory information also includes the name, address and telephone number of the student's parents. Directory information does not include identifying information on a student's religion, race, color, social position or nationality.
- The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive federal funds. FERPA requires the school district, within certain exceptions, to obtain written permission prior to disclosure of personally identifiable information from a child's educational records. However, the school may disclose student information without written consent of the parent when the information is designated directory information unless the parent informs the school not to do so in writing. Directory information is used with discretion in publications which would not be intentionally harmful or an invasion of privacy for a student. Examples are a program showing a student's role in a school event, athletic program, the annual yearbook (SHADA) and recognition/photos in newspapers or on websites.
- Directory information can also be disclosed to outside organizations without a parent's consent, in rare cases. Examples are state or federal authorities auditing, evaluating programs or enforcing state laws, release of transcripts to other schools, court order or subpoena.

If you do not want the district to disclose directory information about your child without your prior written consent, you must notify the district in writing by October 1 of each year.

Any violation of District policy and rules may result in loss of student access to the internet. When applicable, law enforcement agencies may be involved.

These uses of District provided internet access are not permitted:

The District makes no guarantees of any kind, neither expressed nor implied, for the Internet access it is providing. The District will not be responsible for any damages users suffer, including, but not limited to, loss of data resulting from delays or interruptions in service. The District will not be responsible for the accuracy, nature, or quality of information stored on District diskettes, hard drives, or servers, nor for the accuracy, nature, or quality of information gathered through internet access. The District will not be responsible for personal property used to access District computers or networks or for District provided internet access. This policy and all its provisions are subordinate to local, state, and federal statutes.

Internet/Media Center Policy

The media center provides access to a variety of information sources. Users of the media center have the responsibility to act in a manner that provides a productive school atmosphere. Use of the media center is a privilege, not a right. Access may be revoked any time for unacceptable behavior.

Unacceptable behavior includes:

- disrupting or vandalizing equipment or system performance
- wasting materials, such as printer paper
- vandalizing the data of others
- invading the privacy of others
- all e-mail, chat rooms or computer video games
- accessing music or videos on the computer
- harassment of any kind

Students may come to the media center with a class or individually on a pass to do research-related assignments, studying, leisure reading, checking out media center materials, or completing homework assignments. Students may come to the media center to use media center materials. They must have a pass from a classroom teacher and report to class and have the classroom teacher sign the pass BEFORE coming to the media center. Students should not use the media center for socializing. Students need to respect the rights of their fellow classmates by keeping the media center quiet, clean, and returning materials on time. When students leave the media center for ANY reason, they must get an authorized pass from a media center staff member.

Students may use the computers and internet access in the media center for school-related projects, assignments, and research purposes. Students should not play computer games or music or tie up the computers for "entertainment" purposes. While in the library, students are expected to follow all school rules and adhere to the student code of conduct. Students will receive referrals to the principal for inappropriate behavior or conduct. Student's right to use the media center may be revoked for violating media center rules.
