

November 17, 2015

To the Pelican Rapids School Board;

After nine years as Head Cross Country Coach, I am writing to resign from that position. It has been a great honor to continue to build and develop a program that so richly altered the trajectory of my own personal education, extra-curricular participation and for that matter my life. However, I believe the opportunity for me to better serve our community is now in front of me. Thank you for your support the past nine years and I look forward to many more years of involvement within our amazing school district.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Peter', with a long horizontal flourish extending to the right.

John Peter
