Administration and Board Members:

It has been such a blessing to work for the Pelican School District, and now soon time to pass the baton on. My intentions are to start the 2021-2022 school year and then to retire October 15th. The Viking Elementary office has been a friendly and caring place to work and I pray that whoever is fortunate to fill this position will enjoy it as much as I have.

Grateful to have been part of this team-

Lois Aas
Elementary Administrative Assistant
