Good Day Ms. Deborah Wanek,

Enclosed is the renewal certificate for the Public Performance Site License that is currently in place for your school. This information is being sent because your license is due to expire in approximately 30 days on June 30, 2016.

As you know, this license keeps your school legally copyright compliant when movies are shown in the building. This includes situations where teachers, other staff, parent groups, after-school programs, etc. show movies for Student Rewards, Rainy/Snow Days, Family Movies Nights, Holiday Events, Last Days of School, etc. This legal requirement applies regardless of how the movies are obtained, whether or not an admission fee is charged, whether the facility or organization is commercial or non-profit or whether a federal, state or local agency is involved.

Only Movie Licensing USA is able to provide this Public Performance Site License for all of the major Hollywood studios listed on the enclosed license. No other licensing source can provide this exclusive, comprehensive coverage.

As a valued customer of Movie Licensing USA, your license gives your school free access to movie posters, bookmarks, activity sheets and more to advertise or supplement your movie programs. You can access these exciting features in the Promotional Materials section of our website at k12.movlic.com. Your customer number to access this area is: 169263-1.

A lot of schools maintain this licensing as a safeguard against infringement. If teachers have access to TV's and video players in the classrooms, there's a good chance that entertainment movies are being shown occasionally. In addition, many schools are now incorporating movies into their daily activities to encourage motivation, family involvement, and student participation.

To ensure uninterrupted coverage for your school, please send in your renewal payment of \$786.00 accordingly. The enclosed license will then be active for the dates specified.

If you want to learn more about the coverage of this license, U.S. Copyright Law, and how it affects your school, please visit our website at k12.movlic.com.

For any questions regarding the renewal of your license or for multi-year pricing options, please contact your Account Manager, MJ Misselhorn, at 1-877-321-1300 or mmisselhorn@movlic.com.

For payment or billing inquiries, please call 1-800-876-5445.

Thank you for making copyright compliance a priority in your school!

Sincerely,
Movie Licensing USA
