DETAILS OF THE BONDS

The Bonds will be dated as of the date of delivery and will bear interest payable on February 1 and August 1 of each year, commencing February 1, 2023. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Bonds will mature February 1 in the years and amounts* as follows:

2024	\$155,000	2026	\$160,000	2028	\$160,000	2030	\$125,000	2032	\$290,000
2025	\$150,000	2027	\$160,000	2029	\$145,000	2031	\$125,000		

* *The District reserves the right, after proposals are opened and prior to award, to increase or reduce the principal amount of the Bonds or the amount of any maturity or maturities in multiples of \$5,000. In the event the amount of any maturity is modified, the aggregate purchase price will be adjusted to result in the same gross spread per \$1,000 of Bonds as that of the original proposal. Gross spread for this purpose is the differential between the price paid to the District for the new issue and the prices at which the proposal indicates the securities will be initially offered to the investing public.*

Proposals for the Bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption at a price of par plus accrued interest to the date of redemption scheduled to conform to the maturity schedule set forth above. In order to designate term bonds, the proposal must specify “Years of Term Maturities” in the spaces provided on the proposal form.

BOOK ENTRY SYSTEM

The Bonds will be issued by means of a book entry system with no physical distribution of Bonds made to the public. The Bonds will be issued in fully registered form and one Bond, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company (“DTC”), New York, New York, which will act as securities depository for the Bonds. Individual purchases of the Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The lowest bidder (the “Purchaser”), as a condition of delivery of the Bonds, will be required to deposit the Bonds with DTC.

REGISTRAR

The District will name the registrar which shall be subject to applicable regulations of the Securities and Exchange Commission. The District will pay for the services of the registrar.

OPTIONAL REDEMPTION

The District may elect on February 1, 2030, and on any day thereafter, to redeem Bonds due on or after February 1, 2031. Redemption may be in whole or in part and if in part at the option of the District and in such manner as the District shall determine. If less than all Bonds of a maturity are called for redemption, the District will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All redemptions shall be at a price of par plus accrued interest.

SECURITY AND PURPOSE

The Bonds will be general obligations of the District for which the District will pledge its full faith and credit and power to levy direct general ad valorem taxes. In addition, the District will pledge tax abatement revenues from identified properties for repayment of a portion of the Bonds. The District has also covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55 and to use the provisions of that statute pursuant to which the State of Minnesota will appropriate money to the payment of the principal and interest on the Bonds when due if the District is unable to make a principal or interest payment. The proceeds of the Bonds will be used to finance (i) parking lot reconstruction, expansion, and improvements at existing District facilities, and (ii) pay the associated costs of issuance of the Bonds.

BANK QUALIFIED TAX-EXEMPT OBLIGATIONS

The District will designate the Bonds as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

BIDDING PARAMETERS

Proposals shall be for not less than \$1,456,770 plus accrued interest, if any, on the total principal amount of the Bonds. No proposal can be withdrawn or amended after the time set for receiving proposals on the Sale Date unless the meeting of the District scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made. Rates shall be in integral multiples of 1/100 or 1/8 of 1%. The initial price to the public for each maturity as stated on the proposal must be 98.0% or greater. Bonds of the same maturity shall bear a single rate from the date of the Bonds to the date of maturity. No conditional proposals will be accepted.

ESTABLISHMENT OF ISSUE PRICE

In order to establish the issue price of the Bonds for federal income tax purposes, the District requires bidders to agree to the following, and by submitting a proposal, each bidder agrees to the following.

If a proposal is submitted by a potential underwriter, the bidder confirms that (i) the underwriters have offered or reasonably expect to offer the Bonds to the public on or before the date of the award at the offering price (the "initial offering price") for each maturity as set forth in the proposal and (ii) the bidder, if it is the winning bidder, shall require any agreement among underwriters, selling group agreement, third-party distribution agreement or other agreement relating to the initial sale of the Bonds to the public to which it is a party to include provisions requiring compliance by all parties to such agreements with the provisions contained herein. For purposes hereof, Bonds with a separate CUSIP number constitute a separate "maturity," and "the public" does not include underwriters of the Bonds (including members of a selling group or retail distribution group) or persons related to underwriters of the Bonds.

If, however, a proposal is submitted for the bidder's own account in a capacity other than as an underwriter of the Bonds, and the bidder has no current intention to sell, reoffer, or otherwise dispose of the Bonds, the bidder shall notify the District to that effect at the time it submits its proposal and shall provide a certificate to that effect in place of the certificate otherwise required below.

If the winning bidder intends to act as an underwriter, the District shall advise the winning bidder at or prior to the time of award whether (i) the competitive sale rule or (ii) the "hold-the-offering price" rule applies.

If the District advises the Purchaser that the requirements for a competitive sale have been satisfied and that the competitive sale rule applies, the Purchaser will be required to deliver to the District at or prior to closing a certification, substantially in the form attached hereto as Exhibit A, as to the reasonably expected initial offering price as of the award date.

If the District advises the Purchaser that the requirements for a competitive sale have not been satisfied, the hold-the-offering price rule will apply. The Purchaser shall (1) upon the request of the District confirm that the underwriters did not offer or sell any maturity of the Bonds to any person at a price higher than the initial offering price of that maturity during the period starting on the award date and ending on the earlier of (a) the close of the fifth business day after the sale date or (b) the date on which the underwriters have sold at least 10% of that maturity to the public at or below the initial offering price; and (2) at or prior to closing, deliver to the District a certification substantially in the form attached hereto as Exhibit B, together with a copy of the pricing wire.

Any action to be taken or documentation to be received by the District pursuant hereto may be taken or received on behalf of the District by Baker Tilly MA.

Bidders should prepare their proposals on the assumption that the Bonds will be subject to the “hold-the-offering-price” rule. Any proposal submitted pursuant to the Terms of Proposal shall be considered a firm offer for the purchase of the Bonds, and proposals submitted will not be subject to cancellation or withdrawal.

GOOD FAITH DEPOSIT

To have its proposal considered for award, the Purchaser is required to submit a good faith deposit via wire transfer to the District in the amount of \$14,700 (the “Deposit”) no later than 1:00 P.M., Central Time on the Sale Date. The Purchaser shall be solely responsible for the timely delivery of its Deposit, and neither the District nor Baker Tilly MA have any liability for delays in the receipt of the Deposit. If the Deposit is not received by the specified time, the District may, at its sole discretion, reject the proposal of the lowest bidder, direct the second lowest bidder to submit a Deposit, and thereafter award the sale to such bidder.

A Deposit will be considered timely delivered to the District upon submission of a federal wire reference number by the specified time. Wire transfer instructions will be available from Baker Tilly MA following the receipt and tabulation of proposals. The successful bidder must send an e-mail including the following information: (i) the federal reference number and time released; (ii) the amount of the wire transfer; and (iii) the issue to which it applies.

Once an award has been made, the Deposit received from the Purchaser will be retained by the District and no interest will accrue to the Purchaser. The amount of the Deposit will be deducted at settlement from the purchase price. In the event the Purchaser fails to comply with the accepted proposal, said amount will be retained by the District.

AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a true interest cost (TIC) basis calculated on the proposal prior to any adjustment made by the District. The District's computation of the interest rate of each proposal, in accordance with customary practice, will be controlling.

The District will reserve the right to: (i) waive non-substantive informalities of any proposal or of matters relating to the receipt of proposals and award of the Bonds, (ii) reject all proposals without cause, and (iii) reject any proposal that the District determines to have failed to comply with the terms herein.

BOND INSURANCE AT PURCHASER'S OPTION

The District has **not** applied for or pre-approved a commitment for any policy of municipal bond insurance with respect to the Bonds. If the Bonds qualify for municipal bond insurance and a bidder desires to purchase a policy, such indication, the maturities to be insured, and the name of the desired insurer must be set forth on the bidder's proposal. The District specifically reserves the right to reject any proposal specifying municipal bond insurance, even though such proposal may result in the lowest TIC to the District. All costs associated with the issuance and administration of such policy and associated ratings and expenses (other than any independent rating requested by the District) shall be paid by the successful bidder. Failure of the municipal bond insurer to issue the policy after the award of the Bonds shall not constitute cause for failure or refusal by the successful bidder to accept delivery of the Bonds.

CUSIP NUMBERS

If the Bonds qualify for the assignment of CUSIP numbers such numbers will be printed on the Bonds; however, neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the Purchaser to accept delivery of the Bonds. Baker Tilly MA will apply for CUSIP numbers pursuant to Rule G-34 implemented by the Municipal Securities Rulemaking Board. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the Purchaser.

SETTLEMENT

On or about February 10, 2022, the Bonds will be delivered without cost to the Purchaser through DTC in New York, New York. Delivery will be subject to receipt by the Purchaser of an approving legal opinion of Dorsey & Whitney LLP of Minneapolis, Minnesota, and of customary closing papers, including a no-litigation certificate. On the date of settlement, payment for the Bonds shall be made in federal, or equivalent, funds that shall be received at the offices of the District or its designee not later than 12:00 Noon, Central Time. Unless compliance with the terms of payment for the Bonds has been made impossible by action of the District, or its agents, the Purchaser shall be liable to the District for any loss suffered by the District by reason of the Purchaser's non-compliance with said terms for payment.

CONTINUING DISCLOSURE

On the date of the actual issuance and delivery of the Bonds, the District will execute and deliver a Continuing Disclosure Undertaking (the "Undertaking") whereunder the District will covenant to provide, or cause to be provided, annual financial information, including audited financial statements of the District, and notices of certain material events, as specified in and required by SEC Rule 15c2-12(b)(5).

OFFICIAL STATEMENT

The District has authorized the preparation of a Preliminary Official Statement containing pertinent information relative to the Bonds, and said Preliminary Official Statement has been deemed final by the District as of the date thereof within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For an electronic copy of the Preliminary Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Municipal Advisor to the District, Baker Tilly Municipal Advisors, LLC, by telephone (651) 223-3000, or by email bondservice@bakertilly.com. The Preliminary Official Statement will also be made available at <https://connect.bakertilly.com/bond-sales-calendar>.

A Final Official Statement (as that term is defined in Rule 15c2-12) will be prepared, specifying the maturity dates, principal amounts, and interest rates of the Bonds, together with any other information required by law. By awarding the Bonds to the Purchaser, the District agrees that, no more than seven business days after the date of such award, it shall provide to the Purchaser an electronic copy of the Final Official Statement. The District designates the Purchaser as its agent for purposes of distributing the Final Official Statement to each syndicate member, if applicable. The Purchaser agrees that if its proposal is accepted by the District, (i) it shall accept designation and (ii) it shall enter into a contractual relationship with its syndicate members for purposes of assuring the receipt of the Final Official Statement by each such syndicate member.
