Dear Principal Korf,

Thank you so much for the wonderful opportunity to be employed at Pelican Rapids High School this past 2018-2019 school year. Teaching and coaching within this school and community have each been enjoyable, and an asset to my teaching career.

At this time, I am officially tendering my resignation for the positions of High School Spanish Teacher and Assistant Girls Soccer Coach. My fiancé and I have both been offered full-time positions working at the same high school in central Minnesota and will be pursuing this offer for the coming 2019-2020 school year.

Thank you for your support in this decision, and best wishes in the coming school year.

Sincerely,

Victoria Stefonowicz
