Dr. Ed Richardson

The Viking Elementary

PO Box 642

Pelican Rapids, MN 56572

Dear Dr. Richardson,

I am writing to inform you of my resignation from my full time elementary teaching position as a 6<sup>th</sup> grade teacher at The Viking Elementary. I have thoroughly enjoyed my 10 years teaching for ISD 548.

Our family is beginning a new chapter of our lives and relocating. I cannot stress enough how great this community and its people are, but the pull to be closer to our families has only increased with time. Our family will always hold a special place in our hearts for Pelican Rapids.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Kuhn". The signature is fluid and cursive, with the first name "Todd" and last name "Kuhn" clearly distinguishable.
