Club Vikes Family:

Spring is in the air! Wahoo!! We are tired of being cooped up this winter due to the extreme cold and I bet you are too. Excited doesn't even begin to describe how ready we are to get outside!

Just a friendly reminder to please continue sending winter gear with your kiddos. The playground will be wet for quite some time but we want to be able to be outside and enjoy it!

As I said below, we're excited to get out and about this spring. We're planning on a trip to the nursing home in early April as well as hopefully a trip to the bowling alley in Fergus Falls! Please keep an eye out for details to come. There will be a small fee for the field trip.

*Children are allowed to bring their personal electronics, that is fine, however, they are only allowed to play on them during free time. This has become a slight issue as many of the children bring them and want to be on them the entire time. Also please remember that we are not responsible for any lost, stolen, or damaged items at Club Vikes.

Alejandra Villagomez, Cindy Lyden, Daisha
Pixley, Brekken Thorson

Schedule Changes/Cancellation Fee

Please remember to be in contact with our staff in regards to schedule changes. We must staff according to the number of kids registered and lately, we've had cancellations on Mondays without any notice. This only hurts the program. We ask that you please let us know, at your earliest convenience, if your child(ren) will not be attending on a day that you have signed them up. It does say in the contract that we require a weeks notice or you can be charged. Due to this not being enforced previously, we aren't enforcing it at this time. It will come in to effect this summer, so please get into the habit now.
